Delta Engineers, Architects, & Land Surveyors, DPC (Delta) is pleased to announce the following good news:

HAAS LANDSCAPE ARCHITECTS JOINS DELTA ENGINEERS, ARCHITECTS, & LAND SURVEYORS, DPC TO EXPAND SERVICE OFFERINGS

Delta, a multidisciplinary architectural and engineering firm based in Endwell, NY, has acquired Haas Landscape Architects (HLA) of Binghamton NY effective January 22, 2018. The complementary nature of professional services provided and common regional roots of the two firms makes the merger a natural fit that will enhance the level of service available to present and future clients.

"Having Michael Haas and his talented staff of designers join Delta will give our clients access to award-winning landscape architectural services. Our shared commitment to the communities that we serve will strengthen our ability to make a meaningful difference in the quality of life for residents of the Greater Binghamton and beyond" said Anthony R. Paniccia, PE, JD, President & CEO of Delta.

New Delta Team Members

Michael Haas, RLA is the new Director of Landscape Architecture at Delta. Mike received his BS in Environmental Studies and BLA in Landscape Architecture from the College of Environmental Science and Forestry in Syracuse, NY and served as Principal of HAAS Landscape Architects since 1990. Mike has had an influence on the Southern Tier's quality of life through his involvement in projects such as Confluence Park, Court Street, Owego Riverwalk, Centerway Square, and The Story Garden. He is past President of the New York Upstate Chapter of the American Society of Landscape Architects (NYU-ASLA), current Treasurer with the Southern Tier Nursery & Landscape Association (STNLA), and a member of the Susquehanna Heritage Commission.

Barbara Constable has joined our Endwell office as an Assistant Landscape Architect. Barbara has a Masters in Landscape Architecture from the University of Massachusetts in Amherst and a BS in Accounting from Binghamton University. As a part of her Masters studies, Barbara focused on healthcare, senior living environments, and sustainability. While working at HLA, she has had the opportunity to work on healthcare environments, green roofs, green infrastructure and stormwater management, mixed use trails and river walks, and residential projects. Barb has been certified in erosion and sediment control training by the NYSDEC.

Jacob von Mechow has joined our Endwell Office as an Assistant Landscape Architect. Jacob received his Bachelor of Landscape Architecture from SUNY ESF in Syracuse NY. During his time at HLA, he has worked on a wide range of projects that includes river walks, boat launches, public parks, streetscapes, stormwater management, and residential projects. Jacob has also been certified in erosion and sediment control training by the NYSDEC.

Eileen Heaton has joined our Endwell Office as an Administrative Assistant. Eileen has a BS in Early Secondary Math Education and an MS in Elementary Education from SUNY Cortland and taught for over 30 years at the Catholic Schools of Broome County. At HLA, she was responsible for project research and graphic support for design and planning projects, written report development, marketing support, bookkeeping, and administrative duties.

About Haas Landscape Architects

Haas Landscape Architects (HLA) is an award-winning professional landscape architectural services firm based in Binghamton, NY that has built a loyal and growing client base over 28 years of service to the community. They have earned a reputation for creativity, thoroughness and design excellence by putting the needs of their clients first. HLA understands how people interact with and move about their environment, and they offer sustainable solutions.
